

PRESS RELEASE

June 2011

electronic displays Conference 2012: Knowledge right to the point

- **Call for Papers – electronic displays Conference 2012**
- **ROBERT BOSCH Student Paper Award 2012**

The program committee of electronic displays Conference 2012 has published the Call for Papers for next year's conference. The 26 th electronic displays Conference (ED) will be held from 29 February to 1 March 2012 during embedded world Exhibition&Conference 2012 in Nürnberg, Germany. This conference is the established event in Europe for promoting the dialogue and discussion between engineers, researchers, users, and manufacturers/distributors in the field of electronic displays.

The Conference Committee calls for ideas and contributions from research & development and applications as well as market trends to enrich the conference.

Topics of interest include, but are not limited to

- Display technologies (LCD, OLED, PDP, LED, E-paper, flexible displays, (pico-) projection, FED, ...)
- Driving and interfaces (controller, software, FPGA, LVDS, DVI, DISPLAYPORT, ...)
- Touch screens (techniques, software, ...)
- GUI, HMI (software, methods, solutions, ...)
- 3D (displays, reproduction, software, ...)
- Measurement tasks (display performance, ambient light, response time, ...)
- System aspects and integration (embedded systems, lifetime, environmental conditions, ...)
- Display subassemblies (backlight, housing, ...)
- Supply chain (quality assurance, reliability, logistics, customized displays, ...)
- Display applications (e-signage, automotive, avionic, consumer, industrial, information, medical, mobile, ...)

The electronic displays Conference is a technical conference. Purely marketing- or PR-oriented papers will not be accepted. The official language is English. All submitted abstracts will be reviewed by the Conference Committee for acceptance.

Important deadlines

- Submission of abstracts: 7 October 2011
- Notification of authors: 18 October 2011
- Final proceeding papers incl. student papers: 20 January 2012

Abstracts can be submitted using the submission form at www.electronic-displays.de. Deadline for submission is 7 October 2011.

ROBERT BOSCH Student Paper Award 2012

In a special session within the electronic displays Conference program, student papers are presented and awarded by the “ROBERT BOSCH Student Paper Award”.

Part of the award is a publication in the electronics magazine DESIGN&ELEKTRONIK. The price sponsored by ROBERT BOSCH is a high end electronic device.

Applications for the ROBERT BOSCH Student Paper Award can be submitted using the submission form at www.electronic-displays.de.

Deadline for submission is 20 January 2012.

Review 2011: The world's biggest embedded event sets more records

The embedded world Exhibition&Conference 2011 ended on a very successful note with more records for the number of visitors and exhibitors. 803 international exhibitors, 10 per cent up on last year, and 19,022 trade visitors (+4 per cent) from all over the world confirm the success of this year's event. The two renowned top-calibre conferences, the embedded world Conference and the electronic displays Conference, round off the excellent overall picture with 5 per cent more participants.

The next embedded world Exhibition&Conference takes place from 28 February to 1 March 2012.
